¹ Not of all of the claims received in 2018 could be voted on in 2018. The CMVRC Board is unable to vote on a claim until all of the required information has been provided in accordance with California Vehicle Code section 12204(b)(1)(A-F). When a claim is deficient, a letter is promptly sent to the claimant listing the deficiency(ies) and stating how the deficiency(ies) can be cured, such as supplying supporting documentation. Some of the claims received in 2018 will be sent to the CMVRC Board for a vote in 2019 just as some of the claims received in 2017 and 2016 were voted on by the CMVRC Board in 2018 as reflected above.

² The claims submitted to the CMVRC by claimants often include requests for payments for items that are non-compensable under California Vehicle Code section 12200(c) prior to 01/01/2014 such as a prior lien on a newly purchased vehicle, Gap Insurance, warranties, Magna-Shield, Sales tax, Vehicle Service Contracts, inapplicable DMV fees (such as Tire Fees, and Smog Abatement/Transfer Fees), attorneys fees, pain and suffering, or the purchase price of the vehicle rather than the disputed amount. Moreover, the amount of a type of claim eligible for payment is often less than the amount claimed by the claimant on his/her claim form. For example, a claimant seeking recovery of unpaid DMV fees may erroneously state the entire vehicle purchase price, rather than just the amount of the unpaid fees, as the claimed amount on the claim form.
